Printed book:

ISBN: 978-3-7418-1762-5

Price: 7,99 €

Short description:

Prayers are there in large numbers. This is a prayer book for Catholics. These are not only formulated prayers, but also texts that were given by inner locutions.

In this book you will find prayers that you can pray at any time of the day (only for private use). Friends of the Rosary will get new suggestions here by rosaries that have not yet existed in this form.
