Printed book:

ISBN: 978-3-746731-46-9

Price: 7,99 €

Short description:

Why should we pray the rosary? Isn't it terribly boring, tedious and monotonous?

Why it is worthwhile to start with it and what it will change in your life, you will learn in this book.

People have been praying the Rosary for centuries.

Although the interest in this prayer has waned in recent years, the Rosary has never "died out".

The reason for this is that the Rosary allows a very special form of spiritual access to the life of Jesus.

It is a valuable aid to faith, a powerful companion for every believer through his life.
