

The big message to *Germany*

In the early morning (from 1.55 a.m.) of September 8, 2020 (Feast of the *Birth of Mary*) I received a detailed message from Jesus, which is addressed to all residents of *Germany*.

The Lord said:

I will convert Germany.
I am your master.
Listen to My voice!

The time is ripe for great upheavals.
There will not be left one stone upon another.
Hold on to Me!

Much will change soon.
You will see it!

Do not despair!
I'm with you!

Heaven and earth pass away
but My Words will not pass away.
Amen.

I will convert Germany.
It is an honor to Me.
I will be your master!

My friend, I have led you
out of Egypt.¹
Do not despair!

Soon a new time will begin.
I will rule.
Everything will change.

With faith, hope, love
you can overcome anything!

My Word is eternal.
No one can destroy it!

If only all rural districts²
would convert to Me!
I would forgive them anything!

Great is My mercy!
All sins can disappear in it.
They dissolve
in the sea of My mercy.

Come all to Me and repent!
I am the Merciful!

One word from you suffices
and I'll turn to you!

So what are you waiting for?
Hurry to Me!

You are My faithful medium.
I have My joy in you.

¹With this formulation, the Lord again makes a reference to the *Old Testament* and to the book of *Exodus*. While the people of *Israel* were freed from captivity in those days, today it is about all believers who are to be led out of the bondage of sin.

²Means: regional administrative districts in *Germany*, like counties
